Meet the NWMO and Learn More About Canada's Plan for the Long-Term Care of Used Nuclear Fuel

The Township of Huron-Kinloss is learning more about Canada's plan for the safe, long-term management of used nuclear fuel and the next step in the site selection process now underway: Phase 2 Preliminary Assessment Studies.

Drop by the Lucknow open house, meet NWMO staff, learn about the project and share your thoughts. Ask questions about the next phase of work, including geotechnical studies.

Light refreshments will be provided. We look forward to meeting you.
